# PUBLIC SPEAKERS

## Selection of Speakers:

Upon the approval of the building principal, a faculty member may invite speakers or consultants on subjects which:

1. Are within the framework of the curriculum,
2. Are not prohibited by law, and
3. Do not denigrate the American form of government.

On controversial issues, the faculty member shall insure that all viewpoints are presented.

## Requests to Speak:

Persons who request to address the student body or staff must have the approval of the Superintendent and/or Principal.
