CONSULTANTS

The administrative and supervisory staff of the Fremont Public Schools shall encourage the use of professional consultants from the State Department of Education, colleges, universities, and other sources when such consultative services will be helpful in the improvement of Fremont's instructional program. All consultants shall be approved by the Superintendent or his designee prior to the invitation and arrangements for visitation by such person(s) to the Fremont Public Schools.

Once such expenditure has been approved in the budget, the Superintendent or his designee is authorized to proceed with making arrangements and contracting for the services of the consultant(s).
