SCHOOL BOARD AUTHORITY

As a body created under law by the State of Nebraska, the Board of Education of District 1, Dodge County, has full authority, within the limitations of federal and state laws and interpretations of them, to carry out the will of the people of its district in matters of education.

In all cases where laws or the regulations of Nebraska Department of Education do not provide, permit, or prohibit, the Board shall consider itself the agent responsible for establishing and appraising educational activities.

Board members have no authority over school affairs as individuals. They have authority only when acting as a body duly called in session. The Board may designate individual members or committees to carry out certain responsibilities and delegate to them authority to accomplish same.
