PURPOSE OF POLICIES

Board of Education Policies for Fremont Public Schools formalize the expectations and aspirations which the citizens have for their schools. As a policy-making body, the Board of Education develops policies to clarify and promote an effective and efficient school system operation.

The authority for the administration and implementation of the Board Policies is delegated to the Superintendent of Schools. The shared responsibility for the successful fulfillment of the policies belongs to each staff member, student, and citizen of the Fremont School District.

Any item in these policies, if found to be in conflict with any law of the State of Nebraska or with any regulation of the State Department of Education, shall be considered null and void but shall in no way affect other policies herein adopted.
