February 22, 2010

FROM MR. BORLAND'S DESK:

K-Kids "Animaland" Stuffing:
If you purchased an animal "stuffing day" is this **Wednesday from 3:00-5:00**. Parents are required to attend with their children; NO DAYCARE IS PROVIDED. Those students that ride daycare transportation will be brought down periodically throughout the afternoon, at teacher's convenience, to fill their animal. We talked with the director and shortage of animals should not be an issue as he has just restocked his inventory for the remainder of the school year.

Transfer Letters - Due by March 5 . . .

Students living outside our Grant School attendance area received Transfer requests in the mail last week. All Transfer requests for the 2010-2011 school year have to be in our office by or on March 5th. **If you presently are living out of our attendance area and have not received this form, please let our office know ASAP. We can send a transfer request home if you still want to attend Grant School in the next school year.

Lost and Found: During conferences the large collection of lost and found items will be on display in the commons area. Please, stop by and check out these items. If something belongs to a person in your family, please, claim it. These items have been collecting since early fall. Any items left on Friday, March 5th will be donated to the local Goodwill or Salvation Army.

Congratulations to Tyler Hevlin for being this week's winner in the Grant School Weekly Bulletin Contest!

He wins a free combo meal at Nifty 50's. Parents, you can be a winner too if you locate your name in the bulletin while reading and call us the following scheduled school day. So read the bulletin and win!

KINDERGARTEN REGISTRATION

We are STILL looking for next year's Kindergartners! If you have a child who will be five on or before October 15th, 2010, or if you know of someone in our attendance area who will have a kindergartner, please contact the school office so we can add them to our list (727-3171).

Our records may not be accurate and do not reflect new families who may have moved into our area. Registration information has been sent out to those families we know with a child who meets the criteria for starting school.

Grant School's kindergarten registration is April 9th, 2010.

ATTENTION PARENTS:

IF YOUR CHILD BRINGS A COLD LUNCH:

Please put your child's name on their lunch box. Just the first name and last initial is fine. This way we know who it belongs to if it is lost.

We have had several missing lunch boxes since January that have not been found, so please be sure and put your child's name on their lunch box and hopefully this will help get lunch boxes back to them. Thank you!!

Personal Electronics At School:

Many children receive gifts of personal electronics at various times during the year. Personal Mp3 players, ipods, video games and other electronic equipment definitely expand entertainment options for everyone. However, these devices really don't serve any educational purpose at school. Also, the school cannot accept any responsibility for damaged, lost or stolen electronic items. Therefore, these items are not allowed at school.

The same goes for Pokemon and other trading cards.

Thank you for your understanding in this matter.

A NOTE FROM OUR MUSIC TEACHER~ MRS. ZUCH

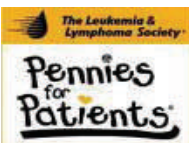

Mrs. Zuch will not be in the building on March 4th for Parent /Teacher's conference. She will be available on March 2nd if you would like to speak with her or have any questions for her. Thank You.

There is more treasure in books than in all the pirates' loot on the Treasure Island.

~ WALT DISNEY

~Cindi Rudder~

During the month of February, Grant School students and staff will be collecting spare change and other money donations to support the Leukemia and Lymphoma Society's "Pennies for Patients"

Please consider participating in this collection mission to help children in Nebraska. Thank you!

Are you a registered voter?

The Citizens of Fremont will be voting on a general bond election on March 9th to make improvements to Linden, Clamar and Fremont High School. If you are not a registered voter, you must register by February 26th to vote in this bond election.

Improvements will also be made to Grant, Washington and Howard schools to improve security and student safety in their buildings. Take an active part in determining the future of your schools and the future of your community!

Become informed and get out and vote on March 9!
